INDOOR BOWLS REPORT

For many the Indoor Bowls that are played on Tuesdays and Thursday afternoons are a social highlight of the week, where interesting subjects can be discussed and ongoing situations can be brought up to date. In other words the Indoor bowls team are a family that are sharing some time together playing the game we all enjoy, but with a certain amount of competition.

The next event on the Silverdale Indoor bowls calendar is the Birthday event on September the 18th, celebrating the 21th year since the Indoor bowls club began.

The birthday event will be a fun day with three unusual games and prizes for the team that has the most wins, runner up and the team that has the least amount of wins.

There is also a prize for the person that can guess the amount of money in our money pig.

The money pig is used as a small penalty (10 cents) for knocking the target white ball off the Mat.

As well there will be plates of food nibbles before the games to get everyone in the mood.

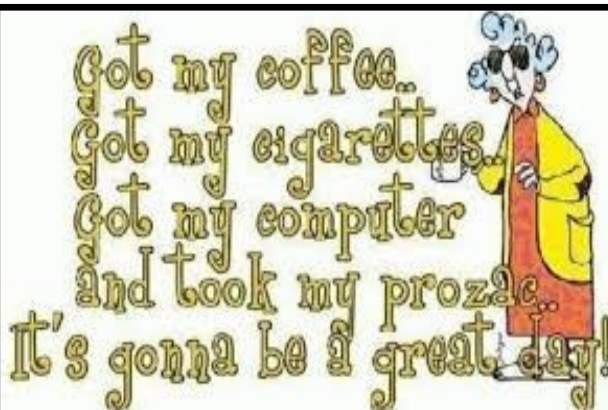

OUTDOOR BOWLS REPORT

August presented us with some trying weather. However, brighter days are ahead.

Our opening day is 13th September and a reminder that subs, \$25.00 per member, are now due.

Competition bowls are every Tuesday. Roll ups are Wednesday and Saturday 12.30pm—2.30pm. Roll ups are the social, informal bowling days. RSA members who feel like trying the game of bowls are warmly invited to join us for a friendly afternoon. Spare bowls are available for your use.

Our RSA is a wonderful facility, but, without members support, progress is not possible.

WOMEN'S SECTION

Hello Ladies, once again I must apologize for not doing a report for the August newsletter.

In July we had 73 Ladies at our Ladies day.

Unfortunately our entertainer was ill on the day, but to our good fortune Jocelyn Stubbing stepped in for us and did a wonderful job of entertaining us.

In August we also had 73 Ladies attend our Ladies day, and we gave out free meal vouchers to any lady that bought 3x\$2 raffle tickets. I hope you all enjoyed your lunch. Our entertainment was the Westpac rescue helicopter, it was a wonderful talk and I think we got a lot out of it.

September entertainment in Flight centre who will talk to us about different travel options.

If any of the ladies have some ideas for a day trip or of different entertainment your input would be appreciated.

Please let me know, my phone no 424 1654

Hope to see you all in September.

Kay

KEV REPORT

Some 30 members attended our August meeting and among the issues discussed it was decided to purchase a book outlining the history of the Korean War and donate to the RSA Museum.

Those of us in attendance were able to congratulate Past President Harry Pratt celebrate his 90th birthday. We all stood and sang the appropriate tribute.

Our guest speaker was no other than our Welfare Officer Janet Fitzgerald who spoke of her life experiences both as a child and a young adult. Janet stated she still has all her school reports with each report featuring the comment "Janet likes to help others". Well that's what she does so admirably for the KEV vets and doubtlessly for all RSA members requiring her specialist knowledge and assistance. We sincerely thank you Janet for all that you do for us.

From a KEV viewpoint we must not overlook the magnificent luncheon on Sunday 17th August arranged for the WW2 vets their wives and vets of other conflicts. Mark Harris did a great job in putting it altogether with great support from RSA management and staff. The catering was superb. The colour party of Air Force Cadets, the table service provided by the Women's Section, the 15 waitresses provided by Whangaparaoa College all made for a most memorable occasion. The RSA National President General Don McIvor mentioned in his address the high standing of the Silverdale RSA and it was truly evidenced by this celebration.

RUBY'S DANCING

As promised, brand new Saturday occasional lunch dates and relaxed style shorter line dancing socials, providing a chance to catch up with your line dance and non line dancer friends.

Next dance is on 20th September. If it proves popular further dates will be announced. The cost is \$5 for line dancers and free for invited non line dancer friends.

You can send in requests to Ruby at rbynathan1@gmail.com beforehand to enable her to prepare a playlist for continuous play for some of the time. This is a great opportunity for a convivial get together for all line dancers and their guests to enjoy some free time, and puts the social back into social.

Also Ruby will be back with a 4 hour Roaring 20's themed social at the RSA on Sunday 19th October, so plenty to look forward to.
